

# ABOUT ELK RIDGE

- Elk Ridge is northwest Bismarck's newest development. The development features stunning views of Tyler Coulee, open grass areas and is within close proximity to a number of shops and amenities that continue to open in North Bismarck.
- The first addition of Elk Ridge includes a 5+ acre park with Bismarck's first outdoor pickleball complex. The park will also include an outdoor playground, open play space and a shelter with bathrooms.
- Elk Ridge 1st Addition is the first addition in the 600+ acre Elk Ridge Development. The entire development is currently undergoing a full Master Plan to include walking trails, additional parks and green space, as well as a potential new elementary school location. We are excited to be partnering with Axtman Associates and Swenson Hagen & Co on the design of Elk Ridge. Come experience Bismarck's newest residential development located in northwest Bismarck, our town's fastest growing area!

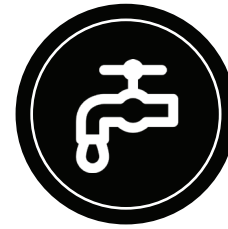

New 5+ acre park

All builders are welcome

High and Dry: Outside of 500-year flood plain

Access to all primary city services
